

“Stepping Up To The Challenges in The Southeast Asian American Community:” Reducing the harm that tobacco causes our communities

ASIAN TOBACCO HEALTH CONFERENCE

We want you to join us

May 13, 2005
Hubert Humphrey Institute
301 19th Avenue S
Minneapolis, MN 55455

Registration 8:30 am
Conference: 9 am - 3 pm
Conference is free

*Please call 612-275-3342 to register or
fax 651-224-7032 or email at elliew@mn.rr.com*

The conference will address the high smoking rate and resulting health problem in the SE Asian Community of Minnesota. The Conference sponsors are: The Asian Pacific Tobacco Free Coalition of Minnesota (APTFCM), Association for Nonsmokers-Minnesota (ANSM), the Ramsey Tobacco Coalition and the Association for the Advancement of Hmong Women.

The goal is to mobilize our communities to reduce the harm that tobacco causes by:

- Educating our community about the harmful effects of tobacco use, current tobacco efforts, and ways to involve our communities in tobacco control;
- Learning about potential resources to engage in this work.

The topics for the conference :

- Engaging the SE Asian community in tobacco control.
- Identifying and obtaining resources.
- Interpreting the data.
- Mobilizing our communities for advocacy

Please go to www.hhh@umn.edu for directions
