

Tobacco and Chronic Disease among Vietnamese-Americans

Come join this two-day conference addressing the disproportionate tobacco and health risks among Vietnamese-Americans in Minnesota and the Midwest. State and national leaders will show the data, research, programs, and cultural approaches regarding tobacco and health among Vietnamese-Americans.

Sponsored by:

The Asian Community Health Center

A non-profit 501 C.3 community based organization created in 1998 to serve the Health care needs for the Asian Community in Minnesota.
