Vision New America would like to provide travel scholarships to enable full-time students or young professionals from the non-profit sector living in the San Francisco Bay Area to attend the Summer 2003 Vietnamese American Youth Leadership Conference in Washington, D.C. The travel scholarship will cover airfare, housing, and the conference registration fee. For more information on the conference, please visit [www.vaylc.org](http://www.vaylc.org).

The following guidelines outline the factors that will be taken into consideration when awarding the travel scholarships:

1. One - page essay outlining why the individual wishes to attend the conference and why s/he should be chosen as a recipient of the travel scholarship
2. Interest in politics and community service
3. Financial need (those with demonstrated financial need will receive priority in funding)

All travel scholarship recipients are expected to write an essay after the conference suitable for publication in Vision New America's newsletter; attend a Vision New America Board meeting to speak about the experience; and register 10 Asian Pacific American voters.

Please submit your essay and a cover letter with your name, address, phone number and email to [AWang@visionnewamerica.org](mailto:AWang@visionnewamerica.org) or mail to:

Vision New America  
Attn. VAYLC Scholarship Committee
